

MAIL BOXES ETC.®

#PeoplePossible

A woman in a white Mail Boxes Etc. uniform is handing a stack of red gift boxes to a man. The man is smiling and looking at the boxes. The background is a warehouse filled with more boxes and festive lights. A white circular line highlights the woman and the man.

## HANDLE YOUR HOLIDAY SEASON'S SHIPPING IN A NEW AND EASIER WAY.

DISCOVER HOW TO SIMPLIFY EVERY SALES PROCESS  
FOR A MORE PEACEFUL PEAK SEASON.

Having a consistently on-time shipping service is never easy, especially during peak seasons: demands increase, schedules tighten, and deliveries tend to take longer.

Getting orders there on time is very important, not only to keep **customer satisfaction** high, but also to **increase sales**.

To reorganize shipping without compromising your growth and business goals, you need to rely on a trusted Partner who will tailor the solutions to your needs.

# Shipping solutions

**MBE** can ship any type of goods, and gives you a full view of the status of the shipment at any time. **Tell us about your business**, your products and the results you expect. **We'll tailor the shipping service to your business**, and take care of your products from collection to delivery.

**Pallet shipping**

**Container shipping**

**Value products**

**Wine**

**Temperature-controlled products**

**and much more**

# Shipping in Italy and abroad

We can handle your shipments worldwide, always finding the most suitable courier to meet your requirements. If you want to **develop your business** and reach new countries, we can help you do that by packing and shipping your goods.

**Collection of goods on request**

**Packing with specialized techniques**

**Transport document management**

**Tracking shipments to their destinations**

## Customized packaging

You choose everything, even the **color and graphics** to apply to your packaging. You can give your shipments a **theme** by adding a splash of color during the holidays and celebrations.

You can also insert **your company's logo** or surprise your customers with dedicated packaging. From packaging to all communication materials, we guide you in choosing the style that best represents your business.

**Limiting the risk of damage during transport**

**Optimizing package volume**

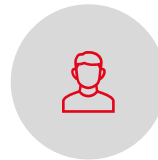

**Reducing waste and environmental impact**

# MBE Import-Export

With MBE, your shipping will have no boundaries: we can support you with dedicated solutions for importing and exporting manufactured goods and products from and to foreign countries.

Our experienced team will be by your side with professional customs, warehousing and shipping support. We can simplify every process thanks to a **Network** of MBE Business Solutions Centers distributed in over **35 countries**.

**Consultancy**

**Flexibility**

**Responsiveness**

**Protection in case of damage  
or loss of shipment**

**Integrated solution in the MBE  
Online portal**

## MBE SafeValue 4Business

We know how important it is to ensure the **integrity of goods**, so we developed a dedicated solution for customers who make **recurring shipments**.

With **MBE SafeValue 4Business**, you will be able to cover the real value of your goods, including shipping expenses.

## MBE Online

Getting in touch with our specialists is easy and immediate at any time of the year, thanks to **MBE Online**: the portal that digitize all your shipments and lets you keep track of their status, anytime.

**You have direct access to any  
information about the status  
of your shipment**

**Send your e-Commerce  
orders automatically**

**Manage your shipments  
independently**
